

**CURRICULUM VITAE
OF
SUBHASH C. CHAUDHARY, M.D.**

ADDRESS: SIU School of Medicine
Department of Pediatrics
P.O. Box 19658
Springfield, IL 62794-9658

Phone: (217) 545-1020
FAX: (217) 545-5108

PERSONAL INFORMATION:

Date of Birth:	April 22, 1948
Birthplace:	Sonepat, India
Marital Status:	Married
Children:	Three
Citizenship:	United States

ACADEMIC DEGREE:

M.B.B.S. (Equivalent to M.D. degree in the U.S.A.) All India Institute of Medical Sciences. New Delhi, India, 1972

PROFESSIONAL TRAINING AND EXPERIENCE:

Professor Emeritus, SIU School of Medicine, Springfield, IL,
June 1, 2014 to Present

Professor, Pediatrics, SIU School of Medicine, Springfield, IL,
July 1, 1998 to May 31, 2014

Active Staff Physician, Department of Pediatrics, St. John's
Hospital, Springfield, IL, 1978-Present

Active Staff Physician, Department of Pediatrics, Memorial Medical
Center, Springfield, IL, 1978-Present

Associate Professor, Pediatrics, SIU School of Medicine, Springfield,
IL, 1984-June, 1998

Assistant Professor, Pediatrics, SIU School of Medicine, Springfield,
IL, 1978-1984

Visiting Assistant Professor, Pediatrics, SIU School of Medicine, Springfield, IL,
1977-1978

Fellow, Pediatric Infectious Diseases, St. Jude Children's Research Hospital, Memphis,
Tennessee, 1975-1977

Resident, Pediatrics, (PL-2 and PL-3 including one year of advanced training in infectious
diseases), St. Jude Children's Research Hospital, Memphis, Tennessee, 1973-1975

PROFESSIONAL TRAINING AND EXPERIENCE: (continued)

Resident, Pediatrics, (PL-1), St. Louis City Hospital, St. Louis, MO, 1972-1973

House Surgeon, Pediatrics, All India Institute of Medical Science, New Delhi, India,
January 1972 – June 1972

MEDICAL LICENSURE:

Illinois and Tennessee

BOARD CERTIFICATION:

1977 American Board of Pediatrics
1994 Sub-board of Pediatric Infectious Diseases
2001 Re-certification, Sub-board of Pediatric Infectious Diseases
2008 Re-certification, Sub-board of Pediatric Infectious Diseases

PROFESSIONAL SERVICE:

AMERICAN BOARD OF PEDIATRICS
SUBBOARD OF PEDIATRIC INFECTIOUS DISEASES:

Contributor to the pool of questions for Pediatric Infectious Disease Board
Examination (5 questions/year), 1995-2000

EDITORIAL BOARDS:

Guest Co-editor, "Symposium: Infectious Diseases" The Indian Journal of
Pediatrics, January-February 1995

Member, International Editorial Advisory Board, The Indian Journal of Pediatrics,
1997-Present

PEDIATRIC ADVANCED LIFE SUPPORT COURSE

Instructor, 1991-1997

MEMBERSHIP IN PROFESSIONAL SOCIETIES

Pediatric Infectious Diseases Society
Infectious Diseases Society of America
American Academy of Pediatrics
Illinois Chapter, American Academy of Pediatrics

CONSULTATIVE SERVICE:

Chairman of Infection Control at St. John's Hospital, Springfield, IL

Consultant to the Springfield Department of Public Health on Immunizations and Sexually
Transmitted Diseases

Consultant in Pediatric Infectious Diseases, St. John's Hospital and Memorial Medical
Center, Springfield IL

Reviewer for Journal of Pediatrics, 1977 - 1995

OTHER ADMINISTRATIVE ACTIVITIES:

Chief, Pediatric Infectious Diseases, SIU School of Medicine
Chairman, Department of Pediatrics, Memorial Medical Center
Past President, Medical Staff, St. John's Hospital, January 2006 – January 2008
President, Medical Staff, St. John's Hospital, January, 2004 – January 2006
President-Elect, Medical Staff, St. John's Hospital, May, 2003 – December, 2004
President, Illinois Downstate Pediatric Society, 1997-1999
President-Elect, Illinois Downstate Pediatric Society, 1995-1997
Executive Committee, American Association of Physicians of Indian
Origin, Downstate Illinois Chapter (AAPI-DI), 1992-1997

- Treasurer, AAPI-DI 1992
- Secretary, AAPI-DI 1993
- Vice President, AAPI-DI 1994
- President-Elect, AAPI-DI 1995
- President, AAPI-DI 1996
- Past President, AAPI-DI 1997

COMMITTEES:

Medical School: Past

Member, Infection Control and Safety Committee
Member, Promotion and Tenure Committee
Member, Conflict of Interest Committee
Member, Central Research Committee
Member, Student Progress Committee
Member, Search Committee for Director of Laboratory Animal Medicine
Member, Review Committee, Department of Medical Education
Member, Infectious and Environmental Hazards Committee
Member, Institution Biosafety Committee
Member, MSRP Committee
Proxy for Chairman of Pediatrics, MSRP Committee

Department of Pediatrics

Department Advisory Committee until May 2014
Resident Recruitment Committee
Coordinator of Electives until 1995

St. John's Hospital

Chairman, Infection Control Committee
Chairman, Credentials Committee January 2006 – January 2008
Member, Credentials Committee 2009-present
Member, Pediatric ICU Committee
Member, Antibiotic Stewardship Committee

Memorial Medical Center

Member, Infection Control Committee

COMMITTEES: (continued)

Illinois Department of Public Health

Immunization and Communicable Diseases Conference Planning
Committee, 1996-1999

Member, Illinois Medical Advisory Board

Sangamon County Medical Society

Board Member January 2006 - December 2011

Family Service Center of Sangamon County

Board Member 1989-2008

Hindu Temple of Greater Springfield

Board Member 2009, 2011, 2015

HONORS:

Teacher of the Year Award, Department of Pediatrics 1992-1993, and 2010-2011
Miracle Maker Award, 1996

Jonas Salk Award, 2001, March of Dimes Southern Illinois Division

Alpha Omega Alpha

Chairman's Award, 2007

Leading Physician of the World, and Top Pediatrician in Springfield, Illinois,
2010, The International Association of Pediatrics

TEACHING RESPONSIBILITIES:

Third year medical students:	
Infectious Diseases Streamer	8 hrs./yr. (until 2012)
Respiratory Infections in children	8 hrs./yr.
Fourth year medical students	
(2-4 students take 2-week or 4-week Pediatric Infectious Diseases elective)	
Teaching 1 ½-2 hrs/day	40 hrs./yr.
Residents (Pediatric and Med-Ped. Residents)	6 mos./yr.
Teaching 1 ½-2 hrs/day	240 hrs./yr.
Infectious Diseases Consulting Service	Year round (Alternate with Dr. Rodriguez)
Continuing Medical Education	
Continuing Education Lectures at SIU-SM	2-4 hrs./yr.
Pediatric Grand Rounds	2 hrs./yr.

TEACHING RESPONSIBILITIES: (continued)

Continuing Education Lectures outside SIU	2-4 hrs./yr.
Telephone consultation for pediatricians and Family physicians in Springfield and Central Illinois	1 hr./day

RESEARCH INTERESTS:

RESEARCH PROJECTS AND SUPPORT:

A. Previous Funded Grants:

1. Cerexa P903-23. A Multicenter, Randomized, Observe-Blinded, Active-Controlled Study to evaluate the safety, Tolerability, Efficacy, and Pharmacokinetics of Ceftaroline Versus Comparator in Pediatric Subjects with Acute Bacterial Skin and Skin Structure Infections
2. Bayer QUIP Protocol 100201. "A prospective, open-label, non-randomized, naturalistic, long-term safety surveillance, observational study of either ciprofloxacin (either as oral suspension, oral tablets or sequential IV oral therapy or purely IV therapy) or a non-quinolone antibiotic (either as oral suspension, oral tablets or sequential IV oral therapy or purely IV therapy) in the treatment of pediatric patients with infectious diagnoses." Principal Investigator in Springfield. Expenses only (2000 – 2008)
3. A case-control study of non-steroidal anti-inflammatory drug use as a risk factor for group A streptococcal necrotizing fasciitis in children (A Multi-Center Study, conducted by The Slone Epidemiology Unit, Boston University School of Medicine in collaboration with The Childhood and Respiratory Diseases Branch, Division of Bacterial and Mycotic Diseases, National Center for Infectious Diseases, Centers for Disease Control and Prevention). Principal Investigator in Springfield. Expenses only (07/19/96-07/98)
4. National enterococcus susceptibility surveillance study. (Multicenter Collaborative Study). Co-investigator (P.I. Ronald N. Jones, M.D., Iowa city, IA). Marion Merrell Dow, Inc., \$1000 (July 92-January 93).
5. Treatment of gonococcal infections with intramuscular tropsectinomycin sulfate or ceftriaxone sodium. Co-investigator (P.I. Larry A. VonBehren, M.D.), UpJohn, Inc., \$100,000 (March 89-March 90).
6. A randomized study to compare the efficacy and safety of ceftazidime (Fortaz) and ceftazidime plus tobramycin in the treatment of febrile neutropenic children, Principal Investigator. Glaxo, Inc., \$9500 (12/5/86-08/29/88).
7. A comparative study of parenteral ampicillin/sulbactam versus ampicillin and chloramphenicol in the treatment of acute bacterial meningitis in infants and children. Principal Investigator. Pfizer Pharmaceuticals, \$7500 (11/9/87-02/20/90).
8. Open non-comparative study of ampicillin/sulbactam in the treatment of Epiglottitis in infants and children. Principal Investigator. Pfizer Pharmaceuticals, \$2000 (11/9/87-02/20/90).
9. Rifampin and penicillin for prevention of rheumatic fever. Principal Investigator. American Heart Association-Illinois Affiliate. \$22,534/2 years (07/01/82-06/30/84).
10. A clinical study of the effects of reduced dosage on the immunogenicity and adverse effects of Diphtheria-Tetanus-Pertussis (DTP) immunization. (Pilot project). Principal Investigator. Special Start-up Funds from the Associate Dean for Research, SIU School of Medicine. \$1500 (10/18/82-06/30/84).
11. Secretory and serologic responses to ribosomes and live cell vaccine of Haemophilus influenzae. Principal Investigator. Central Research Funds (CRC-2-40063-71), SIU School of Medicine \$10,250/2 years (07/01/78-06/30/80).
12. Comparative efficacy of cefaclor and TMP-SMX in infants and children with otitis media. Principal Investigator. Eli Lilly and Co. (EL-638) \$14,400 (06/01/79-05/30/80).

13. Systematic study of humoral immunity to Haemophilus influenzae in human beings. Principal Investigator. Central Research Funds (CRC-2-400634-71), SIU School of Medicine \$4,480/2 years (07/01/80-06/30/82).
14. Comparative efficacy of clindamycin vs. nafcillin/dicloxacillin in the treatment of acute staphylococcal osteomyelitis in Children. Infectious Disease Medical Research, The Upjohn Company, Kalamazoo, Michigan. Principal Investigator. \$11,000.

B. Previous Grants Approved but not Funded

1. Immunity to Haemophilus and group B streptococcus infections. Principal Investigator. N.I.H. \$102,570/4 years, \$24,787/first year. Part of program project "Prevention of infectious diseases in infants." R.P. Tewari (Program Director).
2. Interaction of Streptococcus pyogenes with endothelial cells. American Heart Association-Illinois Affiliate, Principal Investigator.
