	Early Career Faculty Development (ECFD) Program	Developed & hosted by: Stacy Sattovia/Boyung Suh		
	<p>The ECFD program will be one year in length with three focus areas that define academic faculty: teachers/educators, leaders/managers and researchers/scholars. While initially designed to be delivered in person, this program will be delivered virtually through a series of recurring session types. The program will be comprised of 4 themed units, with the following educational formats: Workshops, expert discussion sessions, communities of learning and social media prompts.</p>
