All clerkship use an on-the-fly feedback form which asks faculty to give feedback on the learning objectives of the clerkship. These are:

Oral Case Presentation

History Taking

Physical Examination

Clinical Reasoning

Procedures or Skills

Patient Notes

Communication with Patients, Families, and Caregivers

Identification of Clinical Questions and Investigation of Knowledge Gaps

Coachability

Teamwork

They are linked to the relevant medical education program objectives in the following manner:

Clerkship Objective	Clinical Skills Graduation Objectives*	Knowledge Graduation Objectives*	Interpersonal and Communication Skills Graduation Objectives*
Oral Case Presentation	A,B,C,D,E,F	All subcategories	B
History Taking	A,B,C,D,E,H,L	All subcategories	A
Physical Examination	B,C,L	All subcategories	
Clinical Reasoning	C,D,E,F,G,H,L	All subcategories	
Procedures or Skills	A (use of EHR or telehealth encounter),F,G,H,M,P	All subcategories
