P Christopher Cook, MD
Dr. C. McCollister Evarts Professor
in Orthopaedic Surgery
Program Director Orthopaedic Residency
Chief Division of Pediatric
Orthopaedic Surgery
Department of Orthopaedics and
Rehabilitation, University of
Rochester, Golisano Children’s
Hospital

At the conclusion of this activity, participants will be better able to:

“Why the word HIRE is so important”

- Summarize some principles of leadership for the Orthopaedic Resident in residency and as a future Surgeon
- Identify best practices for use during residency and Orthopaedic Surgery.

“Septic Arthritis and Transient Synovitis”

- Summarize how to evaluate and treat these conditions.
- Describe the nuances in evaluation that can greatly improve the clinical differentiation of these conditions.

“Pearls and tips for the treatment of Elbow fractures in Children”

- Describe the importance of soft issue injury in children’s elbow fractures.
- Accurately interpret imaging in childhood elbow fracture.
- Recognize some operative tips in the surgical treatment of elbow fractures.

CME Credit: SIU School of Medicine designates this live activity for a maximum of 5.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SIU School of Medicine is preapproved as a continuing nursing education provider pursuant to Section 1300.130, subsection c), 1), B), and P) of the Illinois Department of Financial and Professional Regulation Nurse Practice Act. Nurses may receive a maximum of 5.75 contact hours for completing this activity.

Accreditation: The SIU School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Faculty Disclosures: All faculty participating in CME activities are expected to disclose to the audience any real or apparent commercial financial affiliations related to the content of their presentations/materials. In addition, Faculty are expected to disclose any intent to discuss the off-label uses of any drugs or devices. Elliot Johns, MD, speaker for this educational event, is a shareholder of Eli Lilly & Co. None of the remaining planners or speakers have any relevant financial relationships with ineligible companies to disclose. The relevant financial relationship listed for this individual has been mitigated.
