

Template for Faculty Scholarly Activity that occurred during the previous academic year between 7/1/2016-6/30/2017											
Faculty Member	Definitions:	Pub Med Ids (assigned by PubMed) for articles published in the previous academic year. List up to 4. Pub Med ID (PMID) is a unique number assigned to each PubMed record. This is generally an 8 character numeric number. The PubMed Central reference number (PMCID) is different from the PubMed reference number (PMID). PubMed Central is an index of full-text papers, while PubMed is an index of abstracts.				Number of abstracts, posters, and presentations given at international, national, or regional meetings in the previous academic year	Number of other presentations given (grand rounds, invited professorships), materials developed (such as computer-based modules), or work presented in non-peer review publications in the previous academic year. Articles without PMIDs should be counted in this section. This will include publication which are peer reviewed but not recognized by the National Library of Medicine.	Number of chapters or textbooks published in the previous academic year	Number of grants for which faculty member had a leadership role (PI, Co-PI, or site director) in the previous academic year	Had an active leadership role (such as serving on committees or governing boards) in national medical organizations or served as reviewer or editorial board member for a peer-reviewed journal in the previous academic year	In the previous academic year, held responsibility for seminars, conference series, or course coordination (such as arrangement of presentations and speakers, organization of materials, assessment of participants' performance) for any didactic training within the sponsoring institution or program. This includes training modules for medical students, residents, fellows and other health professionals. This does not include single presentations such as individual lectures or conferences.
		PMID 1	PMID 2	PMID 3	PMID 4						
Template for Resident Scholarly Activity that occurred during the previous academic year between 7/1/2016-6/30/2017											
Resident Name	Definitions:	Pub Med Ids (assigned by PubMed) for articles published in the previous academic year. List up to 3. Pub Med ID (PMID) is a unique number assigned to each PubMed record. This is generally an 8 character numeric number. The PubMed Central reference number (PMCID) is different from the PubMed reference number (PMID). PubMed Central is an index of full-text papers, while PubMed is an index of abstracts.			Number of abstracts, posters, and presentations given at international, national, or regional meetings in the previous academic year	Number of chapters or textbooks published in the previous academic year	Participated in funded or non-funded basic science or clinical outcomes research project in the previous academic year	Lecture, or presentation (such as grand rounds or case presentations) of at least 30 minute duration within the sponsoring institution or program in the previous academic year			
		PMID 1	PMID 2	PMID 3							Conference Presentations (#)
*Please Note: Scholarly activity for U.S. Internal Medicine residents is collected in a different manner than other specialties. For U.S. Internal Medicine programs, scholarly activity is collected for graduate residents that completed the program in the previous academic year for the entirety of their training. All other specialties collect data for ALL residents in the previous academic year 7/1/2016-6/30/2017 for that year only.											
Editable templates are available in WebADS under "Scholarly Activity" for both faculty and residents.
